### Brownfields Site Assessment Grant

The City of Madison is looking to identify potential properties that can utilize our EPA Brownfields Site Assessment Grant Program.

Brownfields are properties where the reuse or redevelopment may be hindered by real

or perceived environmental contamination. The City received a \$300,000 Brownfield Assessment Grant from the United States Environmental Protection Agency (USEPA) to assess such properties.

#### Grant dollars can be used for:

- Phase 1 Environmental Site Assessments (ESAs)
- Phase 2 ESAs
- Site Investigations
- Remedial Action Planning

If you are considering redevelopment of a property in the City of Madison and you are interested in using grant funds for the environmental work, please contact Tom Otto at 608-243-0178 or [totto@cityofmadison.com](mailto:totto@cityofmadison.com).
